MINISTRIES

Restoring Broken Lives through the Hope of Jesus Christ

The Faithful Provider

God's character is beautifully unchanging (Malachi 3:6; Hebrews 13:8). From the founding of His Mansion in Wauregan, CT to the present day in Deering, NH, God has been a consistent and faithful Provider.

Early on, God provided for His Mansion in countless ways. For example, in the winter of 1979, in the wake of the Connecticut property burning to the ground, God used Harold and Gladys Griggs to bring a hot meal to about twenty people at His Mansion every day for over two months. Today, the dining hall on campus is named "Griggs" as a reminder of God's faithfulness.

God's provision has continued over the decades and can be seen in numerous practical ways. Whether through giving Dodge vans twenty years ago or a Transit van last year, God's character remains unchanged. In just the last year and a half, He has provided an indoor walk-in freezer, a sander to keep the driveways safe in winter, a new grow room in the barn for seedlings, and a Kubota and trucks to help care for the property. Through both the finances and skills of supporting churches and work groups, God has restored rotting porches at Griggs and the Long House, built a generator shed and renovated part of the women's dorm and Cabin Ruth for growing personnel needs.

God also provides uniquely gifted people to minister here. A year ago, God called Armand Paladino to become Director of Operations and He guided local volunteers, Jon and Gary, to offer their carpentry skills weekly. Griggs has a beautiful new "Coffee Corner" thanks to the labors of these hard-working volunteers. Additionally, after months of prayers, God is bringing two new female Servant Leaders in September! Yet, even in shortages, God lavishes His abundant grace to meet individual needs—because being faithful is not simply something God does but who He is. He is the faithful Provider, no matter the circumstances.

In His Mansion's early days, God gave people a desire to join Him as He provided for this amazing ministry. Over the years, many more have joined those ranks, giving financially, practically, and through prayer. Thanks be to God for every kind of support that has contributed to the healing and restoring work He is doing in broken lives. He is meeting every need because that is who He is and always has been.

BAPTISMS

On July 24th His Mansion celebrated the restoring love of God as 6 Residents followed Jesus in believer's baptism at the Deering Reservoir. Their public declaration of Jesus Christ as Lord and Savior is a reminder of God's great provision for reconciliation and forgiveness through Christ. Glory to God!

“Whatever you do, work heartily, as for the Lord and not for men.”

Colossians 3:23

Jehovah Jireh

Indeed, our God is truly Jehovah Jireh, a glorious name for Him found throughout the Old Testament that means “The Lord will provide.” Many of those who come to His Mansion, burdened by disappointment and brokenness, have discovered that the promises of the world fall short and lead to devastating results. Often, their lives bear witness to both the emptiness of worldly assurances and the profound needs we all face as human beings. Disillusioned by their experiences time and again, they long for someone they can rely on.

At His Mansion, we have seen our Heavenly Father meet our practical needs throughout the years, sometimes down to the very last second. We trust in His continued faithfulness because we remember all He has done, as Psalm 77:11-12 reminds us. We trust Him even more because we rejoice in the truth of how perfectly and eternally He has met our deepest need. Through the sacrifice of His one and only Son, Jesus, God has provided us with what we need more than anything else—a Savior.

Above all else, we need Jesus, the perfect and spotless Lamb. Without Him we would still be lost, dead in our sins, and without hope for a future beyond this life. We would have no need of a “recovery” ministry because without Him, there is no such thing—no empowerment to live life to the full, no freedom, no peace, no hope.

Take heart, dear friends. Our God is able and will provide. We deeply appreciate your obedience in partnering with us financially, volunteering, answering the call to serve here over the years and most importantly, praying with us. The residents on The Hill desperately need a dedicated space where they can encounter the God who has, once and for all, met their deepest need. Praise God, our Jehovah Jireh!
