

# Ready (or not) to Fly

February 8, 2025

We have 21 days to finish up classes, brief various people who will be taking care of different aspects of church, prepare for speaking in churches in North America and pack. Oh yes! And Martin needs to build the doghouse too!

When we think of individuals and churches we plan to visit, it warms our hearts because we haven't been able to see all of you the last couple times because of Martin's kidney failure and then transplant. We are excited to have an opportunity to share with you in person!

We look forward to thanking you for praying and partnering with us. We look forward to the day we can all fly together to be with our amazing Jesus forever but in the meantime we long to help others to know him so they too can fly with us

Love, Martin and Ruth Mae
