

A churchwide time of hospitality

Guess who's coming to lunch!

Sunday, May 3

Join us to connect and enjoy fellowship with new people. This is a great opportunity to build new friendships and strengthen our community bonds. Guests will be matched with their hosts by "lot" on April 27th by The Women's Ministry Team. This way the Lord connects hosts with their guests. Each family will receive the results in a sealed envelope on Sunday, May 3rd. Hosts will discover their guests upon arrival at 1 p.m. Lunch can be something simple, like a barbecue, sit-down meal, or takeout.

If you wish to participate, please let Terri Warren know **by April 26th**. You can do this by filling out and dropping the bottom of this notice in the box on the circle table, contacting her by email trwarren2366@gmail.com or texting 860-576-0882.
